Re: Proposed Annexation to the
City of Glendora, Easterly
Annexation District No. 25

Dear Sir:

At the meeting had on April 17, 1957, the County Boundary Commission reviewed the boundary description and map submitted by you with your letter of April 1, 1957, of the proposed annexation of territory to the City of Glendora.

Although the boundaries submitted do not create islands or corridors of unincorporated territory, and conform with lines of assessment as nearly as practicable, upon recommendation of the County Engineer slight revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code. Said revisions were in the wording of the boundary description and made no change in the location of the boundaries as shown on the map.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description is enclosed for your use.

Very truly yours,

Dear Sir:

CITY OF GLENDORA
"EASTERLY ANNEXATION DISTRICT NO. 25"

In compliance with your request of April 4, we have reviewed the submitted legal description of the proposed boundaries of this annexation and report as follows:

1. The boundaries conform with existing lines of ownership.
2. No island or corridor of unincorporated territory is created by the boundaries.
3. Other boundaries are shown in relation to the proposed boundaries of this annexation on the enclosed map.
4. The legal description as submitted is an area type description and not, technically, a description of the boundaries and requires revision to provide definiteness and certainty in accordance with Section 35002 of the Government Code.
5. Because of item 4 above, we have prepared the enclosed revised description which we recommend that the Commission approve and forward to the proponents.

All original papers regarding this matter are enclosed.
